

Kiyoko Mii

Kiyoko Mii is the CEO of Kirincho Corporation, a corporate training company which she established in Higashi Matsushima City, Miyagi Prefecture, in 2016. She joined the Japan Air Self-Defense Force (JASDF) in March, 1991. After five years of service, she managed a cellphone business, a web advertisement business, and a temporary-employment firm dispatching retired members of the Japan Self-Defense Forces (JSDF). “Japan, the country we live in, has four distinctive seasons and is a beautiful country surrounded by the sea. However, Japan is a country with frequent natural disasters, such as earthquakes and landslides. We, Kirincho Corporation, clarify challenges we might experience after disasters and provide preliminary measures to people throughout Japan. Kirincho Corporation will provide energy to move forward positively even when we face difficulties,” she says.
